STUD SERVICE AGREEMENT

Preserving the Breed Standard
A Tradition of Soundness, Structure, and Heart

Agreement Date: _____

Stud Dog: Enlighted TurtleCreek Mystic Merlin

AKC #: SS44697501

Dam: _____

AKC #: _____

STUD FEE

\$2,500 due before any breeding, collection, or shipment. The stud fee is earned once semen has been collected and prepared for shipment or use. No AKC paperwork will be released until all fees are paid.

APPROVAL OF FEMALES

Stud service is available to approved females only. Red Diamond Labradors reserves the right to refuse service based on pedigree, health, temperament, structure, or compatibility.

HEALTH REQUIREMENTS

Provide AKC registration, OFA hips and elbows, current CAER eye exam, cardiac clearance (preferred), and Labrador DNA testing. A negative Brucellosis test within 30 days is required only if the female is coming to Red Diamond Labradors for a side-by-side breeding appointment.

BREEDING METHOD

Artificial insemination (AI) only. Natural breedings are not offered. All semen collections are performed by Red Diamond Labradors. The dam owner is responsible for progesterone testing, insemination, veterinary fees, and return shipping of the semen container.

REPEAT BREEDING

One repeat breeding will be provided if no pregnancy results, with veterinary documentation, provided the request is made within 18 months and the original stud dog remains available. No cash refunds.

NO GUARANTEES

No guarantee is made regarding pregnancy, litter size, puppy color, sex, show quality, breeding quality, temperament, future health, or performance.

LODGING

With advance notice, clients traveling for a side-by-side breeding appointment are welcome to stay at our Airbnb free of charge if it has not already been reserved.
